Founded by Romulus in April 21 of 753 BC. and surrounded by 7 packages (Aventine, Capitol, Celio, Esquiline, Palatine, Quirinale Keep them in mind) Rome has influenced many cultures and let itself be inspired by the cultures of the peoples it conquered, assimilating their art, myths, customs and traditions. He's had so many emperors which have enriched or sometimes removed milestones of Rome. For example the Colosseum, built in AD 70. by the emperor Vespasian, then inaugurated by Tito on April 21 in the AD 80. or again we have the Caracalla's thermal baths desired by the emperor Caracalla, how to forget then Caesar (Tu quoque, Brute, fili mi) but there are also emperors who took something away, such as for example Nero who burned Rome.
